---

*Special Board of Education Elementary School Showcase  
Town Council Chambers*

*March 20, 2025  
6:30 p.m.*

---

---

**AGENDA**

**1. Call to Order – 7:00 p.m.**

*A. Roll Call for Quorum*

*B. Pledge of Allegiance to the Flag of the United States of America*

**2. Public Comment**

**3. Elementary School Showcase**

*The Cheshire Board of Education made hands-on science instruction at the elementary level a priority in last year's budget, leading to the hiring of two dedicated elementary science teachers/coaches. With additional support from the Cheshire Education Foundation, which funded robots for student learning, this initiative has brought exciting new opportunities to our youngest learners.*

*At the upcoming Elementary Showcase, we will highlight the work of these new positions and the impact they have had on both students and teachers. The science coaches have focused their first semester on robotics instruction, engaging students in interactive, technology-driven lessons. Looking ahead, the second semester will shift toward Agriscience, honoring Cheshire's rich agricultural history and integrating it into meaningful, hands-on learning experiences.*

*Join us as we celebrate the strides being made in elementary science education and the enthusiasm it has sparked in our students!*

**4. Adjournment**
